AC30021ACLT-BLK-2E

Overview

The V7 2.1A Wall Charger with Lightning cable is perfect to use as a spare charger or replacement at home, or the office. The charger is "Made for Apple" (MFI) Certified and designed to charge Apple devices with a Lightning connector. The compact, slim design, plus 100V to 240V input rating makes it great for international travel. Never let your iOS device run out of power again with the 2.1A Wall Charger Combo. Comes with 1m Lightning cable and is available in black.
